MATTER RAISED WITH PERMISSION OF THE CHAIR Political situation in the North-Eastern States specially Arunachal Pradesh

श्री सभापति : मैं ऐसा समझता हूं कि आप जो इश्यू उठा रहे है, उस संबंध में प्रधानमंत्री जी ने जिस समय इस पर चर्चा हुई थी, उन्होंने कहा था कि मैं इस पर

debate कराने के लिए तैयार हूं और चर्चा करूंगा । अभी आप इस विषय को उठाना आवश्यक समझ रहे है, इसलिए मैं आपको यह बात कहने के लिए एलाऊ कर रहा हूं ।

श्री अर्जुन सिंह (मध्य प्रदेश) : सभापति महोदय, शायद इस गलतफहमी में यह बात कही गई है कि मैं कोई फॉरेन अफेयर्स का ही मामला यहां उठा रहा हूं । स्थिति वैसी नही है । वे कब आएंगे, यह तो उनकी मरजी पर है लेकिन यह बात बहुत महत्वपूर्ण है ।

श्री सभापति : आप उठाइए, मैंने अनुमति दी है । SHRI ARJUN SINGH: Sir, a subtle and a very sinister game is being played out in the most sensitive area of this country, the North-East. I do not know whether the Prime Minister is aware or it is being done behind his back. But, normally, no Prime Minister can shirk the responsibility of knowing about it and acting on it. The attempt it to change the political map internally. The sensitivity becomes heightened because of the fact that the intention of a neighbour is also under question at least in this area of our country.

Sir, the scenario is so apparently simple. A peace negotiation is on, which we all support, and we would like that peace is restored in that area. But the peace negotiation brings about certain imperatives. The Army relaxes its efforts. Other agencies of the Government, which were normally very alert in those areas also relax their efforts. And it is this situation which is being used by certain players; I do not want to take their names. But the fact is that they see, in this situation, an opportunity to muscle in and create a situation congenial to certain political parties. Election results may be this way or that; I have nothing to say about that. But when a situation like that, which has now obtained in Arunachal Pradesh, takes place, I think, the country needs to be alert and should be able to find out as to why, all of a sudden, this has happened.

[THE DEPUTY CHAIRMAN in the Chair.]

I, with great responsibility, want to say that certain elements with whom peace negotiations are on, who have not yet become a part of the national mainstream, are being allowed to play a role with an objective of changing the political map in Arunachal Pradesh. And, this will be repeated in the other areas of the North-East as well. That is why I am saying that

this Government is playing with fire in its political zeal to take an advantage and will, in a sense, be trifling with the very sovereignty of this nation. Is it just a mere coincidence that when the Chief Minister, Shri Mithi, complained publicly that his protests were not being heeded about the border situation there that this effort was accelerated? Of course, I do not say it because of that. But the fact remains that it happened immediately after that. Now these kinds of things in an area, which we all know has been a very volatile area, where, with a great effort and a great national consensus, through many decades, a sense of stability has come to obtain there. If that area is destabilised in this blind pursuit for political dominance, I think, the nation's interests will not be served. Therefore, I believe, if the hon. Prime Minister is not aware of it, then, he should become aware of what some of his colleagues are doing in that area and in what way they are trying to tamper with the fabric of our nation at the cost of getting some political advantage. Here, I would like the Prime Minister to give his attention to what has been done and said by China regarding this area. We can raise it in a debate, which is already due. Then, of course, he can answer. But that debate will be regarding a very specific area in the external affairs of our country. But if the internal affairs of this country, in that area, are destabilised, then, we are, in fact, opening up that area for exploitation by any country which wants to destabilise India and take advantage. This is the matter on which I would like the hon. Prime Minister to address this House.

स्वास्थ्य और परिवार कल्याण मंत्री तथा संसदीय कार्य मंत्री (श्रीमती सुषमा स्वराज) : महोदया, आदरणीय अर्जुन सिंह जी ने एक गंभीर मसला उठाया है । मैं उनका सम्मान इसलिए भी करती हूं कि वे इस सदन में गंभीर मसले उठाते रहे है और सरकार इस पर अपनी प्रतिक्रिया देती रही है । आज उन्होंने जो बात उठाई है उसके दो अलग पहलू है । एक पहलू है पूर्वोत्तर क्षेत्र की शांति का, एक पहलू है चायना के द्वारा अरूणाचल के इनकर्शण का । लेकिन एक बात जो उन्होंने उठाई कि भारत एक संघीय गणराज्य है और यहां के सूबों में राजनीतिक परिवर्तन की घटनाएं होती रहती है और आप स्वयं साक्षी है कि शायद सबसे ज्यादातर पूर्वोत्तर में होती है । लेकिन अर्जुन सिंह जी का कहना कि किसी सूबे के राजनीतिक उठापटक की जिम्मेदारी से प्रधान मंत्री स्वयं को बरी नही कर सकते यह तथ्य से भी परे है और यह आपत्तिजनक भी है । राजनीतिक उठापटक – पालिटिकल इनस्टेबिलिटी **...(व्यवधान)...**

श्री लालू प्रसाद (बिहार) **:** हम लोगो के पास सबूत है यह **...(व्यवधान)...**

श्रीमती सुषमा स्वराज : किसी राज्य में पॉलिटिकल इनस्टेबिलिटी के लिए प्रधान मंत्री जिम्मेदार है यह कहना, यह आरोप सरासर गलत है । जहां तक इस विषय पर प्रक्रिया का सवाल है **...(व्यवधान)...** उपसभापति महोदया,

उपसभापति : पहले बात सुन तो लीजिए । अर्जुन सिंह जी ने जिस गंभीरता से यह बात उठाई **...(व्यवधान)...** एक मिनट ।

श्री प्रेम गुप्ता (बिहार) **:** किसके पास से पैसा कहां से आता है **...(व्यवधान)...**

उपसभापति : अर्जुन सिंह जी ने जिस गंभीरता से बात उठाई यह हम लोग सब सुन रहे है । यह सरकार की जिम्मेदारी होती है कि वह उसका जवाब दे । तो उनको जवाब देने दीजिए । उसके बाद जो कुछ आपको कहना है आप बोल सकते है । पहले पूरी बात तो होने दीजिए ।

SHRI JANARDHANA POOJARY (Karnataka) : Please, be serious. This is a serious matter. *...(Interruptions)...*

श्रीमती सुषमा स्वराज : इसलिए मैं आपसे कहना चाहती हूं कि जहां तक अर्जुन सिंह जी के प्रश्न का सवाल है । **...(व्यवधान)...** अर्जुन सिंह जी के द्वारा उठाए गए प्रश्न के जो पहलू पूर्वोत्तर की सुरक्षा और अरूणाचल में चीन की भूमिका को लेकर है । प्रधान मंत्री जी यहां बयान देने वाले है क्योंकि आपको मालूम है कि उस दिन जब उन्होंने अपनी चायना विजिट का स्टेंटमेंट दिया था तो सदन में ही यह मांग की गई थी कि हम क्लेरिफिकेशन के बजाए उस पर चर्चा चाहेंगे और तुरन्त एक क्षण में सरकार ने उसको स्वीकार किया था । जिस दिन प्रधान मंत्री जी आएंगे उस दिन यह प्रश्न उनसे पूछे जाएं तो वह निश्चित रूप से उसका उत्तर देंगे ।

SHRI PRANAB MUKHERJEE (West Bengal) : Madam, I would just like to submit one point for the consideration of the House. Had it been any other State, the normal practices of floor-crossing and so on would have been understood. But this is a very sensitive case. And just at a moment when a part of that State is being claimed by China, and it is alleged, and it is widely publicised in all the newspapers, that a group, which is outlawed and which is involved in the armistice and peace-talks --we are having discussions with them -- is indulging in political destabilisation in one of the most sensitive States, the Government cannot simply keep its eyes closed to this fact. This is not just an internal matter of the State alone. It is linked closely with the territorial integrity of the country, for

which the Government is squarely responsible. In this connection, I would also like to have an assurance from the Government that the decision about the majority will not be taken in the drawing room of the Governor. It must be taken on the floor of the House. But as per newspaper reports, we are finding that efforts are being made to take a decision in the drawing room of the Governor by means of head-counting. This is simply not acceptable.

THE LEADER OF THE OPPOSITION (DR. MANMOHAN SINGH): Madam, we have raised a very serious matter. There is a particular insurgent group which has been operating in this region, with which the Government of India has undertaken peace negotiations. We had been very supportive of the peace process. But, if it turns out that this insurgent group terrorises MLAs in the neighbouring State to change the political complexion of the Government, then this is a very serious matter about which the Government of India has a direct responsibility, and the Government of India cannot evade its responsibility. Our charge is, it is this insurgent group, which, with connivance of certain people, is indulging in activities prejudicial to maintenance of democratic fabric of our country.

SHRI BALBIR K. PUNJ (Uttar Pradesh): Madam Chairperson, it is really interesting to hear how Congressmen have reacted to a revolt by a section of their party in Arunachal Pradesh. Dr. Manmohan Singh just now said that Congress MLAs have been terrorised to change their loyalty. There was Congress Government in Arunachal Pradesh.
